NOTICE

Date: 20/03/2026

This is to inform all students that the *Students' Council of IIC, BCET* is going to organize a One-Day Event on **"AI-Powered Solutions Expo: Demo Day"** on **30th March 2026** in collaboration with Department of CSE. On the same occasion, the Robotics Club of BCET, **"FALCON"**, will celebrate its 2nd Anniversary, marking two successful years since its establishment.

Event Highlights:

- ✓ Exhibition and demonstration of AI / Industry 4.0 based innovative solutions
- ✓ Celebration of innovation and technical excellence
- ✓ Platform for students to showcase their creativity and problem-solving skills

Submission Guidelines:

Interested students (individual/team) are required to submit their innovations in both soft copy and hard copy, including the following details:

- ✓ Title of the innovation
- ✓ Team Leader Details
- ✓ Problem Statement Definition
- ✓ Proposed Solution / Prototype Description
- ✓ Uniqueness of the Idea
- ✓ Comparison with Existing Solutions

All participants must demonstrate their working model/solution during the Expo. All submitted and demonstrated innovations will be deposited in the YUKTI Innovation Repository as per IIC guidelines.

Students willing to participate may submit their proposals to:

Ms. Bijaylaxmi Swain (6th Semester, CSE)

Student Coordinator, IIC BCET

All students are encouraged to actively participate and make this event a grand success.
